ONTARIO Budget Makes \$15 Million Investment In top AI ENTREPRENEURS

Marks An Important Step Forward

PARIS - TORONTO, 30.03.2018, 12:31 Time

USPA NEWS - The 2018 Ontario Budget's Support for Artificial Intelligence Entrepreneurs marks an Important Step Forward for the Province's Future Economy, according to NEXT Canada CEO Sheldon Levy.

The 2018 Ontario Budget's Support for Artificial Intelligence Entrepreneurs marks an Important Step Forward for the Province's Future Economy, according to NEXT Canada CEO Sheldon Levy.

"For Ontario to create Lasting, Valuable Employment, it needs to harness the Potential of its Best Cutting-Edge Innovators so that it can compete and win on the Global Stage," says Mr. Levy. "This Money will help Entrepreneurs scale their Businesses and employ more Ontarians in High-Value, High-Tech Jobs."

The 2018 Ontario Budget, delivered at Queen's Park on March 28, includes a Targeted Investment of \$15 Million over Three Years in NextAI, a NEXT Canada Program that brings together Highly Promising AI Entrepreneurs, helps them build their Firms, and helps other Organizations integrate AI-Driven Technologies into their Operations.

The NextAI Program supports Entrepreneurs launching Artificial-Intelligence Ventures in Sectors ranging from Healthcare to Agriculture to Financial Services.

"These Additional Resources will allow us to do more to support the Growth of New AI Ventures in Ontario," says Mr. Levy. "Ontario's Public and Private Sectors have been working closely together to make this Province an Emerging Leader in the Field of Artificial Intelligence, this Announcement strengthens Ontario's Position."

NEXT Canada is a National, Non-Profit Organization that develops Exceptional Talent to create Industry-Changing Ventures and Propel Business Technology Adoption. Founded in 2010 as The Next 36 by a Group of Pioneering Business Leaders and Academics, NEXT Canada is Today a National Leader in the Delivery of Cutting-Edge Programming designed to Foster and Support Lifelong Entrepreneurship in Three Streams: NextAI, Next 36 and Next Founders.
